How to effectively use this Weekly Vocab Lab revision deck

About The Weekly Compilation

This edition aggregates every high-yield vocabulary word, phrase, idiom, and grammatical expression curated from Monday to Saturday editorials. Rather than reviewing individual articles, all terms are unified into **Universal Categorical Sections** for fast, systematic revision.

Universal Categorical Structure

1. Editorial Vocabulary

Core contextual words with bilingual definitions and connotations.

2. One-Word Substitutions

Single-term replacements for complex conceptual definitions.

3. Fixed Prepositions

Crucial prepositional dependencies frequently tested in competitive exams.

4. Phrasal Verbs & Idioms

Multi-word expressions, verbal phrases, and metaphorical sayings.
